## In Class We Are...

### Reading

Students will continue Daily 5 (Daily 3) by choosing their rotations each day and completing given assignment for read to self, work on writing, and word work.

Students will continue Writer's Workshop and writing personal narratives.

### Math

Students will continue to use place value understanding to round whole numbers to the nearest 10 or 100. We will also understand shape attributes and their categories (i.e. quadrilaterals).

Students will close read word problems and directions identifying key words and important details.

### Science/ Social Studies

Students will understand the properties of solids and liquids and the changes they undergo as well as structure and properties of matter before and after changes.
