## In Class We Are...

### Reading

Students will review past skills and practice asking/answering questions, determining main idea and point of view for fiction/nonfiction texts.

Students will continue Daily 5 (Daily 3) by choosing their rotations each day and completing given assignment for read to self, work on writing, and word work.

### Math

Students will practice measuring lengths with rulers to half and fourth of an inch. Students will measure and estimate liquid volume and mass of an object.

Students will close read word problems and directions identifying key words and important details.

### Science/ Social Studies

Students will understand entrepreneurship in a market economy and how location of regions affects activity in a market economy.
