In Class We Are...

Reading

Students will continue Daily 5 (Daily 3) by choosing their rotations each day and completing given assignment for read to self, work on writing, and word work.

Students will continue Writer's Workshop and writing personal narratives.

Students should continue to use their close reading bookmark for reading homework packets. A digital copy is available on my website if needed

Math

Students will interpret products of whole numbers as well as fluently multiply and divide within 100 using strategies or properties of operations.

Students will close read word problems and directions identifying key words and important details.

Science/ Social Studies

Students will understand the development, structure, and function of local government. Students will also understand how citizens participate in their communities.
