In Class We Are...

Reading

Students will be participating in the launch of Daily 5 and CAFÉ in the upcoming weeks.

Students will develop procedures and norms for Writer's Workshop and begin personal narratives.

Math

Students will add and subtract 3 digit numbers using various strategies (place value drawings, number lines, expanded form or show all totals)

Students will close read word problems and directions identifying key words and important details.

Science/ Social Studies

Students will understand the properties of solids and liquids and the changes they undergo as well as structure and properties of matter before and after changes.
